

**AMENDMENTS TO THE DRAWINGS**

Please replace Figures 1, 2 and 3 with the amended Figures 1, 2 and 3 enclosed herewith, wherein labels have been added to each box, as directed.

### REMARKS

Examiner has objected to the drawings under 37 CFR §1.83(a), stating that "the drawings must label the boxes in the Figures." In response, Applicant has amended Figure 1 to label boxes number 10, 20, 30, 40, 50, 60, 70, 80, and 90, has amended Figure 2 to label boxes number 20, 30, 50, 60, 70, 80, 92, and 110, and has amended Figure 3 to label boxes number 20, 30, 50, 60, 70, 80, 190, and 210. As such, Applicant respectfully believes that the drawings are now in acceptable form.

Applicant recognizes Examiner's allowance of Claim 8, "if rewritten in independent form including all of the limitations of the base claim and any intervening claims." In order to proceed to patent allowance with respect to the allowable subject matter of Claim 8, specifically, a timer apparatus "wherein operation of said at least one motion detector may be prevented by said timer apparatus," Applicant has amended independent Claim 1 to positively recite the timer apparatus previously recited in dependent Claim 8. Further, Applicant has cancelled Claims 8, 21 and 22.

Applicant respectfully asserts that, in view of Applicant's amendment to Independent Claim 1, Examiner's rejection of depending Claims 3-4, 6-7, and 9-19 has been rendered moot. Applicant respectfully reserves the right to pursue prosecution of all cancelled subject matter in a continuation, continuation-in-part

and/or divisional application filed during the pendency of the present application.

### CONCLUSION

Subject to Applicant's amendment herein, Examiner has allowed the subject matter of Claim 8, wherein Applicant's amendment herein has incorporated the allowable subject matter into Independent Claim 1. Accordingly, Applicant respectfully requests that the application proceed to issuance in view of the cancellation of Claims 21 and 22, without prejudice. Applicant may elect to pursue further examination of said cancelled claims in a related application filed during the pendency hereof.

The above-made amendments are to form only and thus, no new matter was added. Applicant respectfully believes that the above-made amendments to the drawings and the claims now place the application in condition for allowance. Should the Examiner have any further questions and/or comments, Examiner is invited to telephone Applicant's undersigned Attorney at the number below.

Respectfully submitted, this 7th day of June, 2006.
